Through,

The Collector,

And

The Director of Public Health,

M A D R A S.

Respected Sir,

In continuation of my humble appeal D/ 22-3-32. through the Revenue Divisional Officer, kollegal, the Collector of Coimbatore, and the Director of Public Health, Madras, a copy of which was submitted direct to the Secretary to the Government of Madras, Local Self-government, on 31-3-32, I humbly and respectfully beg to bring to your kind notice the following further facts for kind consideration and orders of the benign Government.

I beg to submit that, though it is nearly a month since the appeal referred to above with fourteen enclosures and the Endorsement of the Revenue Divisional Officer, Kollegal, was submitted, no orders have

have been received.

I understand that only two Plague Inspectors one for the Gobichettipalayam Taluk and the other for the Kollegal Taluk, are to be retained from the next month. Mr. C.V.Subramania Iyer, Plague Inspector, Gobichetti palayam Taluk who is as old as myself, is a qualified Sanitary Inspector like myself having long service as Plague Inspector. But the Plague Inspector for the Kollegal Taluk Mr. M.S.Satyagi Rao, who is also as old as myself, seems to have had neither long service as Plague Inspector nor qualifications required as per Appendix E of the Madras Plague Regulations and standing orders, since his name is not found in Part I. (certified Sanitary Inspectors) in Part II (qualified) Sanitary Inspectors) and in Part III (qualified assistant Sanitary Inspectors) of the half yearly list of the qualified Sanitary Inspectors etc., published under the authority of the Government of Madras; yet he has been retained and I was dispensed with my services from 1-4-32, not withstanding my hard and onerous duties discharged to the best of my ability and to the entire satisfaction of my superiors during the period of seven and a half years and especially of these three months in the infected area in Kollegal Taluk which will be seen from the endorsement of the Revenue Divisional Officer Kollegal. Besides, I suffered like any thing without pay for about two and a half months in a foreign place and, since Ihave worked for more than the specified term, I am entitled to one month's notice before discharge of to one month's wages in lieu thereof and this also was not given.

Above all these things, I beg to point out, that, in the Order Ref. No. 10208 of 1931-c-1 dated 11-12-1931, it is clearly stated that my appointment is only for a specified term of three months and I should have been discharged at the end of such term. But it was not done so, inspite of my report to The Collector Through The Tahsildar of Kollegal and through The Revenue Divisional Officer, Kollegal, dated 5-3-1932, requesting to issue orders on what date I should hand over the charge. Consequently I had to lose an appointment, under a rich merchant, carrying an annual salary of 600/- at the rate of Rs.50 per mensum, which is a great loss to me in these hard days of unemployment.

I therefore pray that my humble claims may kindly be considered and favourable orders of the Benign Government may be obtained; for which act of kindness, I ever pray.

I beg to remain,

Respected Sir,

Your most obedient and humble servant,

Erode,
D/ 27-4-32
